F.D. Cir. No. 29. 30 dy 7.10.97.

This was sanctioned by Government as a temporary measure, [pending orders on certain proposals submitted by the Superintendent in Sept. of that year for strengthening the Bangalore–Nanjangud Railway Police generally. No such orders have yet been passed, and these and several similar piece-meal proposals received from the D.C. from time to time were included in one general consolidated statement, which

THE INSPECTOR GENERAL OF POLICE

To

THE GENERAL SECRETARY TO THE
GOVERNMENT OF MYSORE.

SIR,

I have the honor to forward herewith Copy of letter No. 158 dated 15th January 1897 from the Special Railway Inspector, Sub-mitting proposals for increasing the Strength of the Bangalore-Nan-jungude Railway Police. These proposals, tho' received so far back as January last were kept by as several other similar Schemes were pending Sanction by Government. But as I feel

persuaded that the increase can no longer be delayed with due regard to Efficiency, I Venture to approach Govern-ment with the proposals above referred to.

A perusal of the Enclosures will Con-vince Government that the proposals have been Carefully worked out, and are very moderate. A Comparison of the Line with the Bangalore-Arsikere Section which is of the same length but of much less importance in traffic (Vide figures in the margin) will show that it is undermanned both in officers and men.

The proposed increase involves the appointment of a Sub. Inspector for investigating Cases, an additional Sergeant for Nanjungud which, as the terminus, requires a Sergeant, a clerk for the Inspector's Office and 10 Constables, 5 to form the

Submitting proposals to strengthen the Mysore Railway Police.

Letter No. 43 & 13th August 1896, from Inspector Narayan Rao with enclosures is herewith submitted.

(Signed) So. Leighton

Special Railway Police Inspector's Office
Mysore 15th January 1897

To

The Asst. Inspector General
of Police in Mysore
Bangalore.

Sir,

With reference to your memo No. 36 dated 1st September 1896 I beg to report as follows;—

1. The present scheme of the Mysore Railway Police with a Special Grade Inspector as its executive head subordinate to the Assistant to the Inspector General of Police was introduced in June 1896.

2. After a working of the scheme for two months, my predecessor Mr. Narayan Rao, found the establishment consisting of 1 Inspector, 2 Sergeants and 44 men inadequate for the requirements and submitted

in his report No 43 dated 13th Augt 1896 proposals for improving it.

3. I was appointed to the ~ Railway in September 1896. From the experience gained of the working of the Railway Police during the past 5 months I am of opinion that the establishment needs ~ strengthening to admit of a satisfactory discharge of the duties devolving on it.

4. The total length of the Mysore State Railway Line is 311 1/4 miles. It is divided into three sections as shewn below:—

(1) Bangalore - Arsikere — 103 miles
(2) Arsikere - Harihar — 107 1/2
(3) Bangalore - Nanjangode 100 3/4

5. The Police on sections (1) and (2) above is worked by the Residency Police and that on section (3) by the

6. In addition to sections (1) and (2) the Residency Police have charge of 47 miles of the Railway from Yesvantpoor to Doddakurgode and 48 miles of the line from Bangalore to Kamasundra.

7. The British Resident who exercises the powers of Inspector General of Police for the C. and M. Station Police also exercises those powers on the Railway Line of sections (1) and (2) and the blocks mentioned in para 6. The Superintendent of Police of the C and M Station is also Superintendent of the Railway Police and in addition to it he is invested with the powers of a 1st class magistrate (with summary powers) to try cases under section 191 clause (a) & P. C, and cases referred by the District Magistrate. He is

also Second Judge of Small Causes for the Railway involving suits for Rs 50 and under.

8. An Inspector of Police (Mr Shaw) on Rs 150 per mensem with Head Quarters at Bangalore and with a Head Quarters Reserve of 1 Sergeant and 20 Constables supervises, under control of the Superintendent, the work of the section Sub Inspectors and staff.

9. The strength of the whole Residency Railway Police Force is as follows:—

1 Inspector on Rs 150 p.m.
2 Sub Inspectors " 75 and 65
3 Head Constables " 30, 20 & 20
8 Sergeants " 15 each.
150 Constables 1st class on Rs 9
and 2d class on Rs 8.

10. The two blocks mentioned in para 6 being small lengths attached to the main sections, they need not

be taken into account for purposes of comparison. The two principal Residency sections of Bangalore - Arsikere and Arsikere - Haribar are compared with reference to length and strength with the Bangalore - Nanjangode section under the Mysore Police.

Section	Length in miles	Police strength	Remarks
Bangalore - Arsikere	103	1 Inspector for the whole Line: 1 Sub Inspector, 1 Head Constable, 3 Sergeants, 54 Constables	
Arsikere - Haribar	107 1/2	1 Sub Inspector, 1 Head Constable, 4 Sergeants, 57 men (Constables)	
Bangalore - Nanjangode	100 3/4	1 Inspector: 2 Sergeants, 44 Constables	

11. The two Residency sections may be considered equal in length to the Mysore section as the difference in length between the former and the latter is insignificant. But for purposes of closer comparison the Bangalore-Arsikere section which is the shorter of the two is taken as it corresponds more nearly to the Mysore section —

Section	Length in miles	Crime	Traffic		Police Strength	Remarks
			Persons	Goods in maunds		
Bangalore-Arsikere	103	S.B.C. & Ry act cases 20 Shortages 37	Lo. 3780 × From 4,560	Lo. 6909 × From 1,578	1 Sub Inspector 1 Head Constable 3 Sergeants 54 men 1 Inspector for the whole.	× The bulk of traffic passing through to Birur and Haribar, it is not possible to secure correct figures —
Bangalore-Nanjangode	100 3/4	S. B.C. & Ry act cases 14 shortages, 84	Lo. 7400 From. 7,000	Lo. 26,750 From 19,642	2 Sergeants 44 Constables 1 Inspector.	N.B The figures of traffic given are approximate weekly average

The figures speak for themselves. The

crime statistics given are from June 1896. While the Mysore section shows 6 cases less in the number of crime cases the shortages, which involve nearly the same amount of investigation on that section are double the number on the Bangalore-Arsikere section.

12. A comparative statement A showing the number of stations, the supervising staff and the constabulary of each section is herewith submitted. It will be seen from it that the Mysore section has less number of officers and men although it has the same length of line and equal number of stations.

13. The necessity for an officer below the rank of Inspector and above that of Sergeants is obvious as the Inspector cannot be both

Investigating and Prosecuting officer. A Sub Inspector on Rs 30 per mensem is therefore provided.

14. The Inspector has a Free Pass for himself, servant and luggage and travels by train while on duty Horse allowance to him does not therefore seem reasonable. Moreover such an allowance has no precedent on the Railway Lines elsewhere. But having his Head Quarters at Mysore and being require to spend some portion of his time in Bangalore, his expenses in the shape of house rent, carriage hire, refreshment room charges on the line are heavy in comparison with his small pay.

15. Instead of Horse allowance of Rs 20/- per mensem provided by my predecessor for the Inspector a clerk on Rs 15/- per mensem is

now provided for as such an em-
-ploye is indispensible considering
the large amount of correspondence
in English, the Inspector has with
the Railway authorities &c.

16. To reimburse, however, to some
extent the heavy expenses incurred
by the Inspector while travelling on
duty it is submitted that he may
be allowed to draw <u>at once</u> Rs 150/-
per mensem, the maximum a
sanctioned pay of the post and
that he may be allowed a daily
Batta of Rs 2/ two instead of 3/10ths
of pay while travelling on duty
as Amildars in the Province are
allowed.

17. A provision of Rs 15 per
mensem for an additional Sergeant
and for an increase of Rs 2 each to
the pay of the 2 existing Sergeants
raising their pay to Rs 12 each is

entered. The additional Sergeant is urgently wanted for Nanjangode which is a terminus and as a place of religious importance it draws immense crowds during some parts of the year.

18. I have provided for 10 more Constables raising the number from 44 to 54. For the divisional Reserve 5 men are provided for. They are to be in readiness to take the place of sick men and men going on leave and to meet extra calls for duty. The remaining 5 men are wanted for the line: 1 for Nanjangode 1 for Mysore, 1 for Seringapatam and 2 for Bangalore. At present not having our own men we are put to great inconvenience in collecting information or following up a clue.

19. When my predecessor Sub-
-mitted his proposals no constable in the Railway Police Force drew Rs 9 per mensem. But in the scheme of the Inspector General of Police to improve the pay of the Constabulary three men in the Railway Police on Rs 8 per mensem have received an increase of 1 rupee each to their pay. With a view to secure and retain good men and offer them better chances of promotion I have provided 8 men on Rs 9 each, 10 men on Rs 8 each and 36 men on Rs 7 each.

20. The Malnad allowance hitherto given to some constables amounting to Rs 9 per mensem is omitted in the proposition statement as the necessity for it does not now exist.

21. Under the head of Contingencies a sum of Rs 12/- against Rs 9-12-0 is

provided as the present sum is found to be inadequate for the supply of stationery &c to all the stations.

22. A small sum of Secret Service fund would be of far greater utility for the Railway Police than a permanent advance of Rs 20 proposed by my predecessor. I beg that a Sum of Rs 25 may be allotted for the Railway Service.

23. With the foregoing explanatory remarks I beg to submit a proposition statement B involving a net increase of Rs 138-4-0 per mensem or Rs 1659 per annum.

I beg &c.
